

Frequently Asked Questions about *e-Campus*, Email and Sakai Userids and Passwords

	e-Campus	Email	Sakai
What is it?	The administrative system that students can use to access their records, register for courses, check bills and other financial information, look at grades, transcripts, etc.	URI gives students an email account with the address e-Campususerid@mail.uri.edu and uses only this email address for all official correspondence such as billing, financial aid, and advisement.	The Sakai Collaboration and Learning Environment (CLE) is a free and open source Courseware Management System. It features a set of software tools designed to help instructors, researchers and students collaborate online in support of their work--whether it be course instruction, research or general project collaboration.
What userid do I use?	You will choose a userid and password, which you will register with e-Campus (click on the link "First Time Users Register Here"). Once you have chosen a userid and password you will be able to use e-Campus. This is the userid you will continue to use. If you have problems with your userid, contact the ITS Help Desk at 874-HELP.	You use the same userid as your e-Campus userid.	Use your e-Campus ID or your 9-digit URI employee/student ID number.
What password do I use?	When you first sign on to e-Campus, you choose a password. You will continue to use this password on e-Campus until you change it.	Your initial password is your birthdate. Use 2 digits for month, 2 digits for day, and 4 digits for year. For example, February 4, 1976 would be 02041976.	Use your @mail.uri.edu email password.
